

February 10, 2019

Welcome to the 13th annual Nihon Matsuri!

Daiichi Ward of the Church of Jesus Christ of Latter Day Saints have been part of this Matsuri for many years. We have enjoyed this event every year. Our members consists of many different backgrounds who are part of various Japanese communities. It is very nice to have this sense of togetherness as Japanese community to associate annually during Nihon Matsuri. Japanese culture brings unique taste to our Utah community. Japanese people take pride in carrying sense of gratitude and act politely. We continue to strive being great citizens of the society and look forward to interact with people in Utah to bring positive influence.

I would like to thank Nihon Matsuri Committee members to put this wonderful event.

Thank you for coming to Nihon Matsuri.

Bishop Uemura
